# of Investigative hrs. 5.00 x \$26.00 = \$130.00				(SPECIFICALLY INCLUDE FACTS CONSTITUTING CAUSE FOR ARREST.)							
The defendant used a computer owned by Pasco County Schools and logged into multiple networked computers using an administrative-level account, for which he did not have permission. One of the computers the defendant accessed, without authorization, was a server containing 2014 FCAT information. The defendant also used the aforementioned administrative account to take control of a teacher's computer and display an image of two men kissing, disrupting classroom activities. A recording of the defendant's computer was captured by a staff member of Paul R. Smith Middle School documenting the defendant accessing two computers using the aforementioned administrative account. The defendant admitted to using the administrative account with the knowledge he did not have authorization, accessing networked computers, and conducting the above described activities.
